

## Notes for Second Youth Forum: Sunday 15<sup>th</sup> November 2009

The forum was split into 3 main parts.

### **Part 1. Do we form a new Youth Committee? and if yes then how?**

We unanimously decided to create this committee, but there were 2 options as to how:

1. Do we create the committee under the Development and Community Sub-committee for approximately 16 months or
2. Do we form an independent Youth Committee?

There was a discussion regarding this and the consensus was that we follow option 1, since it would mean we could receive mentoring and guidance from those with experience.

### **Part 2. Youth Committee Structure**

An interim president and secretary (for approx 6 months) were elected. People were nominated and we elected :

**Presidents:** Anand Faldu and Kunal Changela (decided to be co-presidents and share the responsibility and commitment)

**Secretary:** Shivani Kantaria

**Committee Members:** List of members who wished to join the youth Committee were taken down.

If anyone could not attend the meeting or would still like to join the Youth Committee then please send your name to [kpsyouth@kpsuk.org](mailto:kpsyouth@kpsuk.org) by the **23<sup>rd</sup> November 2009**.
